

NH requires the Praxis II for certain licensure areas. In addition, the Elementary Education and Early Childhood Licensure both require the Foundations of Reading Test. The Praxis II is highly recommended, but not required, prior to graduation. Many graduates choose to teach in Massachusetts, which doesn't accept the Praxis II scores. Massachusetts licensure applicants are required to pass the Massachusetts Tests for Educator Licensure (MTELS). This helps to explain why so many students choose not to complete the Praxis II.
