

### Late Course Add

Return form to the registrar's office at [psu-registrar@plymouth.edu](mailto:psu-registrar@plymouth.edu).

**Students must be registered to receive credit for the course. Students will not be allowed to attend classes if they are not registered.**

The late course add policy allows for a course to be added late – with instructor permission – within the first 25% of the term or part-of-term in which the course is being offered. For example, adding a 16-week term course late will require the form to be submitted to the Registrar's Office no later than the end of week four (see [Academic Calendar](#) for the year and semester for which you are registering.. Forms received late will not be processed.
