Step 1- Option C Other Site of Your Choice

This option can be completed at any police department or LiveScan site with fingerprinting capability and may work best for students living away from the DOE Portal sites and campus. Following you will find the list of LiveScan sites in NH. However, *the ink method is just fine as well*, so the places on the list below are not your only options.

Choose the site you plan to use and locate the contact information for that site. Contact the site, explain what you are trying to do, and follow their instructions. Make sure to ask if there will be a fee charged at the site and what form of payment to bring with you.

Arrive a few minutes early.

Make sure you have a **government issued ID** and your PSU ID (not required but may be helpful) with you at your appointment.

There will be a **LiveScan form** provided at the locations listed above, and the officer doing the printing will enter a tracking number on the form. **Take this form with you**. They may also give you a printed fingerprint card which you can keep.

Ink prints will be on an **official fingerprint card**. Make sure the *contact information for the police department (or DMV, etc.)* is written on the card. The Department of Safety will not accept the prints without this information.

Fill out the Criminal History Record Check Release Form (CHRR). This does not need to be notarized.

Make your check payable to: State of NH - Criminal Records.

Mail the CHRR form, a check for \$21.25, and the LiveScan form OR the inked card to the Department of Safety address at the top of the CHRR form.

If you have questions, please contact the Holmes Center.

You have completed <u>Step 1</u> of the Criminal Record Check. Please go back to the <u>Instructions</u> page to go on to <u>Step 2</u> (DOE clearance application with \$100 fee).
