JUNE ORIENTATION EDUCATIONAL SESSIONS

EDUCATIONAL SESSION A

Campus Support Services (Heritage Commons)

Learn more about the personal and academic support services that we offer here on campus to all current students as part of their tuition to PSU.

Supporting Your Student From Afar (HUB Hage Room)

Learn tips and tricks from Student Life staff for supporting your student from home. We want them to thrive during their time here, and we know support can look different when your student is exploring new opportunities and a new campus.

EDUCATIONAL SESSION B

Supporting Your Student's Academic & Career Success (Heritage Commons)

The Academic & Career Advising Center positions students for academic and career success by empowering them with the tools and resources to discover their strengths and interests, develop their skills, and distinguish themselves academically and professionally. Join members of the Center to learn more about the services, resources, and events offered to students and how you can support them during their time at Plymouth State University and beyond.

Old Man of the Mountain Exhibit (Museum of the White Mountains)

Twenty years later the Old Man of the Mountain remains a prominent New Hampshire icon and can still be found as an official and unofficial emblem across the state and beyond. This exhibition explores the history of the Old Man of the Mountain and the ways in which its images and narratives symbolized and reflected the evolving identity of New Hampshire and its citizens.

EDUCATIONAL SESSION C

Residential Life & Dining Services (Heritage Commons)

Living on campus is a big part of the college experience. From learning to live with a roommate to determining what to eat on campus, Residential Life & Dining Services helps guide students to Live, Learn, and Grow. Join our Residential Life & Dining Services team to learn more about what it means to live on campus, meal plans, and more about your student's residential experience!

Mental Health & Wellbeing (Hage Room, HUB)

Adjusting to college can be challenging for students and families. The PSU Counseling Center welcomes you to learn about ways to build resilience, self-care strategies, and tips for success. Information about the WellTrack self-help therapy app and the Center will also be provided.

EDUCATIONAL SESSION D

Residential Life & Dining Services (HUB Hage Room)

Living on campus is a big part of the college experience. From learning to live with a roommate to determining what to eat on campus, Residential Life & Dining Services helps guide students to Live, Learn, and Grow. Join our Residential Life & Dining Services team to learn more about what it means to live on campus, meal plans, and more about your student's residential experience!

Student Financial Services (HUB 119)

Hear from our Student Financial Services staff to help understand your student's bill, student loans, and other financial aid opportunities.

Prime for Life: Protecting What Matters Most (HUB 109)

This session will empower you and your student with resources and an understanding of the college drinking and drug culture. We will help with conversation starters and resources to raise your student's awareness of risks, while encouraging healthier behaviors and social connections.

EDUCATIONAL SESSION E

Orientation Leader Panel (HUB Hage Room)

This session will provide the opportunity for guests to join our orientation student staff to ask them questions about their PSU experience.

Campus Tours (Meet in HUB 109)

Still familiarizing yourself with campus? This session will provide a tour of PSU's campus. (Please note this tour does not include residential halls)

Diversity Scholars (Meet in HUB Fireplace Lounge)

This meeting is for students that have been accepted into the Diversity Scholars program for Fall 2023. Attendees will learn more details about the program and get a tour of the IDEA (Inclusion, Diversity, Equity, and Access) Center. Family members are encouraged to attend as well.
