

CCSNH- PSU Transfer Pathway Program: B.S. in Public Health

Plymouth State University has partnered with the **Community College System of New Hampshire** to offer a Pathways Program that allows you to smoothly transition to PSU. This curriculum map shows you the courses to take while enrolled as a CCSNH student, for seamless transfer and efficient completion of the B.S. degree program in Public Health. The pathway can be embedded in any CCSNH degree program but is particularly compatible with programs in human services, health or social sciences, or liberal arts.

Students take these courses at CCSNH...	To fulfill these requirements at PSU
General Education courses required for associate's degree in selected CCSNH program*	General Education requirements satisfied via block transfer agreement*

* The CCSNH-PSU Block transfer agreement states that CCSNH students graduating with an associate's degree from any CCSNH campus, with an overall GPA of 2.0 will have fulfilled all general education requirements for Plymouth State University. A minimum of 60 credits will be transferred.

** CCSNH courses that have been approved as equivalent to the required PSU course are listed on the final page of this document

At PSU you will complete the following requirements to earn your bachelor's degree:

Major Course Requirements

PBH 2000- Foundations of Public Health (if not taken at CCSNH)

CM 3095- Technical Communication (if not taken at CCSNH)

AHS 3305- Epidemiology and Evidence-Based Medicine

PBH 3210- Social and Behavioral Health Psychology (if not taken at CCSNH)

PBH 3400- Program Planning for Public Health

PBH 4000- Ethics, Social Justice, and Policy in Public Health

PBH 4200- Guided Practice in Public Health

One Social/Environmental elective from approved list

3-4 Health Enrichment electives (12 credits) from AHS, EX, HE or NR. At least six credits must be from HE courses

General Education Program Course Requirements**

Any general education requirements remaining and not covered by block transfer agreement

University Degree Requirements

General Elective Courses to fill remaining credits required for bachelor's degree (120 total)

**Students must earn an associate's degree from CCSNH to be eligible for the block transfer program. Students transferring prior to associate's degree completion will be required to meet the requirements for the PSU general education program. CCSNH courses meeting specific PSU general education requirements will be evaluated at the time of transfer.

NOTE THAT SPECIFIC PROGRAM REQUIREMENTS ARE SUBJECT TO CHANGE: AN ADVISOR AT PSU WILL PROVIDE YOU WITH THE BEST POSSIBLE GUIDANCE FOR COURSE SELECTIONS EACH TERM.

Also note: Students may transfer a maximum of 90 credits in total. Students not transferring an associate's degree must receive a grade of C or better for courses to transfer. Note that some programs may have more stringent requirements for transfer.

Course Mapping Guide: CCSNH Courses Approved for Major Equivalency

PSU Course: PBH 2000: Foundations of Public Health

MCC: ALHT 120M- Introduction to Public Health

NCC: HLTH 105N- Introduction to Public Health

PSU Course : CM 3095- Technical Communication

GBCC: ENGL 215G- Writing Technical Documents

MCC: ENGL 211M- Introduction to Technical Writing

NCC: ENGL 112N- Technical Writing

NHTI : COMM 227C- Professional Communication

PSU Course: PBH 3210- Social and Behavioral Health Psychology

GBCC: PSYC 235G- Health Psychology

MCC: PSYC 235M- Health Psychology

PSU Course MA 2300 – Statistics I (higher-level statistics courses will be reviewed for program approval upon transfer)

GBCC: MATH 225G- Probability and Statistics
LRCC: MATH 216L- Statistics
MCC: MATH 202M Probability & Statistics
NCC: MATH 106N- Statistics I
NHTI: MATH 251C- Statistics
RVCC: MATH 106R- Statistics I
WMCC: MATH 214W- Statistics

Diversity Connection electives

PSU Course SO 2225- Foundations of Sociology

GBCC: SOCI 110G- Introduction to Sociology
LRCC: SOSC 124L- Introduction to Sociology
MCC: SOCI 110M- Introduction to Sociology
NCC: SOCI 101N- Introduction to Sociology
NHTI: SOCI 105C- Introduction to Sociology
RVCC: SOSC 101R- Introduction to Sociology
WMCC: SOCI 111W- Introduction to Sociology

PSU Course: MGM 3450- Organizational Behavior and Team Development

GBCC: BUS 216G- Organizational Behavior
LRCC: SOSC 211L- Organizational Behavior
MCC: BUS 216M- Organizational Behavior
NCC: BUS 218N- Dynamics of Organizational Behavior
NHTI: BUS 245C- Organizational Behavior
RVCC: BUS 216R- Organizational Behavior

PSU Course: SO 3375- Sociology of Race and Ethnicity

NHTI: SOCI 214C- Race and Ethnic Relations

Other potential Diversity Connection electives:

GBCC: ANTH 135G- Introduction to Gender Studies
MCC: SOCI 250M- Multiculturalism
MCC: SOCI 145M- Gender Studies
NCC: SOCI 228N- Social Inequalities
NHTI: GNDR 105C- Gender, Power and Privilege
ANTH 210C- Native American Studies

Social/Environmental electives

PSU Course: AN 2100- Foundations of Anthropology

GBCC: ANTH 101G-Introduction to Anthropology
LRCC: HUMA 131L- Cultural Anthropology
MCC: ANTH 101M- Introduction to Anthropology
NCC: ANTH 110N- Cultural Anthropology
NHTI: ANTH 101C- Introduction to Cultural Anthropology
RVCC: SOSC 110R- Cultural Anthropology
WMCC: ANTH 101W- Cultural Anthropology

PSU Course: SO 3065- Social Problems

MCC: SOCI 109M- Contemporary Social Problems
NCC: SOCI 201N- Contemporary Social Problems
NHTI: HSV 221C- Social and Professional Issues in Today's Society
RVCC: SOSC 201R- Contemporary Social Problems

PSU Course: SW 3500- Health and Society

GBCC SOCI 225G- Societal Approaches to Healthcare Systems
NCC: HLTH 205N- US Healthcare System
