

CCSNH- PSU Transfer Pathway Program: B.S. in Social Work

Plymouth State University has partnered with the **Community College System of New Hampshire** to offer a Pathways Program that allows you to smoothly transition to PSU. This curriculum map shows you the courses to take while enrolled as a CCSNH student, for seamless transfer and efficient completion of the B.S. degree program in Social Work. The pathway can be embedded in any CCSNH degree program but is particularly compatible with programs in liberal arts, human services, psychology, or other social sciences.

Students take these courses at CCSNH...	To fulfill these requirements at PSU
General Education courses required for associate's degree in selected CCSNH program*	General Education requirements satisfied via block transfer agreement*
Introduction to Social Work or Introduction to Human Services (see course mapping guide for approved CCSNH course equivalents) **	SW 2200- Introduction to Social Work
Probability and Statistics or higher-level statistics course (see course mapping guide for approved CCSNH course equivalents)	MA 2300- Statistics I
Introduction to Psychology (see course mapping guide for approved CCSNH course equivalents)	PS 2015- Introduction to General Psychology
Introduction to Sociology (see course mapping guide for approved CCSNH course equivalents)	SO 2225- Foundations of Sociology
Students may also choose to take one or more of the following courses: Social Science Research Methods Societal Approaches to Healthcare Social Welfare and Policy (see course mapping guide for approved equivalents)	To meet the following degree requirements: SW 4020- Social Work Research Methods SW 3500- Health and Society SW 3040- Social Welfare Policy and Services
General electives or Program electives, as needed to meet CCSNH requirements for associates degree program	Courses not required to fulfill PSU Program or Discovery requirements will transfer as general electives

* The CCSNH-PSU Block transfer agreement states that CCSNH students graduating with an associate's degree from any CCSNH campus, with an overall GPA of 2.0 will have fulfilled all general education requirements for Plymouth State University. A minimum of 60 credits will be transferred.

** CCSNH courses that have been approved as equivalent to the required PSU course are listed on the final page of this document

At PSU you will complete the following requirements to earn your bachelor's degree:

Major Course Requirements

SW 3300- Mental Health and Society OR SW 3500- Health and Society (if not taken at CCSNH)

General Education Program Course Requirements

Any general education requirements remaining and not covered by block transfer agreement*

University Degree Requirements

General elective courses to fill remaining credits required for the bachelor's degree (120 total)

*Students must earn an associate's degree from CCSNH to be eligible for the block transfer program. Students transferring prior to associate's degree completion will be required to meet the requirements for the PSU general education program. CCSNH courses meeting specific PSU general education requirements will be evaluated at the time of transfer.

NOTE THAT SPECIFIC PROGRAM REQUIREMENTS ARE SUBJECT TO CHANGE: AN ADVISOR AT PSU WILL PROVIDE YOU WITH THE BEST POSSIBLE GUIDANCE FOR COURSE SELECTIONS EACH TERM.

Also note:

Students may transfer a maximum of 90 credits in total. Students not transferring an associate's degree must receive a grade of C or better for courses to transfer. Note that some programs may have more stringent requirements for transfer.
