## ON BEHALF OF THE PLYMOUTH STATE UNIVERSITY ALUMNI ASSOCIATION, CONGRATULATIONS ON YOUR GRADUATION AND WELCOME TO OUR ALUMNI ASSOCIATION!

While the class of 2022 had its college experience impacted by the COVID-19 pandemic, there are aspects of your Plymouth State experience that can never be diminished. Remember the feelings you had when you decided Plymouth was the place for you, when you “just knew.” Remember the celebrations and joy of being young, in college, making friends, and having a real sense of independence. Remember the classes that confirmed that you’d found your major, and the relationships you made with professors that will help propel you into your career. These are important, and will always belong to you.

I graduated from Plymouth State College in 2001, started working at Plymouth and earned my MBA in 2006 from what had become Plymouth State University. I played and went on to coach rugby. I’m still in touch with the rugby alumni and we proudly raise money to support the team. I loved my time at Plymouth, and I still love Plymouth State!

As the current chair of the PSU Alumni Association, I am honored to welcome you into our ranks. While it’s been a long time coming, and not anything any of us would have imagined, I’m so proud to see you celebrating your well-deserved graduation at this Commencement.

Commencement of course means a beginning, and as we round the corner of this pandemic and you fully begin to pursue your life and career after Plymouth, I wish you happiness, health, and success. Let us never forget the place that gave us all our start, where we met our people, where we grew up and became adults. Plymouth is great because of the people who are there and who came before us and who cared enough to give of themselves. Now we ask you to join us and give back to future students as you are able with your time, your expertise, and your philanthropic support.

Together, we make Plymouth State.  
Larry Pignataro '01, '06G  
Chair, PSU Alumni Association Board of Directors

# A TRADITION STEEPED IN HISTORY

The Academic Procession is a descendant of European religious processions, which began to include teaching faculties in the Middle Ages, when universities were closely associated with the medieval church.

The order used in today's procession has evolved through many years of practice at Plymouth State University. At the front of the line is the marshal, who will carry the University mace, a symbol of authority and unity. The marshal will be followed in the procession by four flag bearers, the president of Plymouth State University, the provost, members of the University System Board of Trustees, honored guests, speakers, vice presidents, and senior class officers. This group is followed by the faculty, who march in order of rank. The faculty is followed by the degree candidates.

## THE MACE

The tradition of the academic mace began in the late fourteenth century when two ancient instruments, the royal scepter and the battle mace, were combined to form a symbol of authority of the rector of a university. Today, the academic mace, along with the presidential medallion, signifies that the president of the university is the temporary embodiment of the power, authority, and autonomy vested in the institution.

The faculty marshal carries the academic mace at public events such as Commencement exercises and convocations as a symbol of the special stewardship authority and trust reposed in the faculty for the curriculum and academic affairs of the university. The PSU mace was designed and created by Professor of Sculpture Philip Lonergan in 2004.

## THE PRESIDENTIAL MEDALLION

The Presidential Medallion is the official insignia of the President's Office and is worn on ceremonial occasions. Created when Plymouth State became a university, the medallion embodies parts of the official seal of the University, showing pictorial representations of Rounds Hall, the Old Man of the Mountain, the lamp of enlightenment, and our connection to the outdoors.

## ACADEMIC REGALIA

The caps, gowns, and hoods seen today have evolved from costumes worn during early religious processions to distinguish church and university members from the laity. In present times, the attire serves to indicate, by style and adornment, the chief academic degree attained, the major field of study, and the college or university attended by the wearer.

## THE GOWN

The modern academic costume worn in the United States is based on an intercollegiate code established in 1895. Most gowns are black, but more American colleges and universities now permit the wearing of college colors. The associate's gown and the bachelor's gown are the same. They have long, pointed sleeves, and are untrimmed and worn closed. The master's gown, worn either open or closed, has long, crescent-shaped sleeves. The doctoral gown has black velvet panels down the front, and velvet bars on bell-shaped sleeves.

## THE CAP

The customary head covering is either the mortarboard or the Oxford cap. The tassel on the mortarboard cap may be black or of a color indicating the degree. The doctor's tassel is usually gold in color. The tassel is worn over the left front quarter of the mortarboard once the degree has been awarded.

## THE HOOD

The hood, which drapes over the back of the gown, carries the greatest symbolism of all the components of the academic costume, and dates back to the twelfth century when it was intended as a head cover or shoulder cape. Its length and width denote the wearer's highest academic achievement. The color of the velvet trim reveals the wearer's major field of study. Linings, which are exposed in the center of the hood as it lies over the back of the gown, indicate the colors of the degree-granting institution.

## THE COLORS

In regalia, academic disciplines are noted by color. These colors can be found on undergraduate and master's tassels and on master's and doctoral hoods on the velvet edging.

Field of Study	Velvet Trim Colors
Agriculture	Maize
Arts, Letters, Humanities	White
Business Administration	Drab (Tan)
Economics	Copper
Education	Light Blue
Fine Arts	Brown
Forestry	Russet
Journalism	Crimson
Law	Purple
Library Science	Lemon
Music	Pink
Nursing	Apricot
Philosophy	Blue
Physical Education	Sage Green
Physical Therapy	Teal
Public Administration	Peacock Blue
Public Health	Salmon
Science	Golden Yellow
Social Work	Citron

## THE CORD AND STOLE

Cords, medallions, or colored tassels may be worn by some members of academic honor societies to signify their achievements. The standards for this distinction are set by each honor society. The cords are worn around the neck and drape down the front of the gown.

Veterans, active duty personnel, and ROTC students may wear a red, white, and blue cord to acknowledge their service to our country.

Members of several student organizations, University programs, and student athletes may also wear a stole in recognition of that involvement. The stole may be adorned with the emblem(s) of the organization(s) in which the student has participated.

Plymouth State's lesbian, gay, bisexual, transgender, and queer students who have participated in Lavender Graduation, a ceremony honoring LGBTQ+ students and acknowledging their achievements and contributions to the University, may wear a rainbow cord.

PSU's international students may choose to wear a lapel pin displaying the flag of their home countries. This year features graduate and undergraduate students from Austria, Belgium, Canada, France, Greece, Hong Kong, and the United Kingdom.

## THE HONORS TASSEL

Green and white tassels distinguish honors baccalaureate graduates. **Summa cum laude** is granted to a graduate with a GPA of 3.75–4.0. **Magna cum laude** is granted to a graduate with a GPA of 3.50–3.74. **Cum laude** is granted to a graduate with a GPA of 3.25–3.49.
